How to make friends

Materials

Friendship vouchers
(Session 8).

1 Greetings

2 Question and review

Review aims.

What are things friends should not do?

Discuss the friendship vouchers and ask each pupil to say honestly if they have carried out the activity fully.

3 Game – Who's speaking?

A person sits in the middle with their eyes shut. A pupil is chosen to say, 'It's bananas for dinner' in a disguised voice and the person with their eyes shut must guess who it is. When chosen correctly the person whose identity has been guessed goes into the middle and the game continues.

4 Question and discussion

How do you make new friends?

If someone was new to your school, what would be a good way to get to know them?

Answers should include:

- >> introduce yourself
- >> show them around
- >> smile at them
- >> ask them if they would like to play with you.

How would it feel to be new at school?

Who has felt scared and uncomfortable when they have been new to a situation?

This is my friend

Her/his name is

Things I like
to do with

Things friends
don't do together.
